Dear Mr. Harrison:

Re: Joe Rich Community Parks Specified Area
Establishment Repealing Bylaw No. 392, 1989 and
Ellison Community Parks Specified Area
Establishment Repealing Bylaw No. 393, 1989

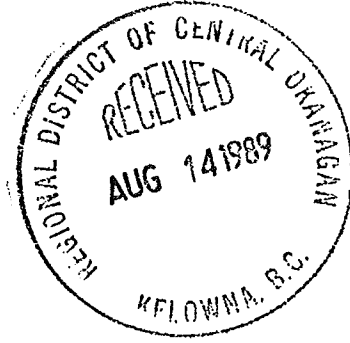

The above bylaws have been favourably reviewed from both an administrative and financial perspective. However, before proceeding with a recommendation to the Minister for approval under section 319 of the Municipal Act, we have noted that valid adoption of the bylaws would have had to occur prior to July 31, 1989, the effective date of the new regional district legislation.

As your next regional board meeting falls in August 1989, we recommend the following solution: Under the new Part 24 any existing specified area service or function not converted by an establishing bylaw to a service, as defined by the new legislation, within five years will automatically cease to be effective. The regional district can choose not to exercise the powers authorized by Bylaws numbered 228 and 194 and therefore not requisition any funds under them.

Accordingly, Bylaws numbered 392 and 393 are returned. Please do not hesitate to call this office if you have any further questions.

Yours very truly,
